

# BUYERS INFORMATION

9<sup>th</sup> – 11<sup>th</sup> September 2015

## INTRODUCTION

Travel Retail Training (TRT) Ltd organises events that bring companies together, promotes innovation and helps businesses to prosper. By scoping the needs and interests of both suppliers and buyers we are able to bring extra value.

The TRTradeshow 2015 is expanding: **Rail** and **Marine** purchasing teams are now invited to join **Inflight** Retail at this event.

There are many synergies between the 3 onboard retail channels and we believe that there is an information sharing opportunity to promote best practice, so with that in mind the programme includes a discussion panel and keynote speaker.

Exhibiting companies will represent gifting and consumable product categories, such as gadgets, wine, jewellery, soft drinks, snacks and many more. Some companies will be new and some are leading suppliers to onboard retail. There will be approximately **19 exhibitor stands** and **many exhibitor display tables**.
