9<sup>th</sup> – 11<sup>th</sup> September 2015

## INTRODUCTION

Travel Retail Training Ltd, (organisers of ISPY) are making their TRTradeshow even more attractive by inviting Buyers from **Rail**, **Marine** and **Inflight** to attend.

For the first time service providers to suppliers and onboard retail operators will have their own exhibiting area.

Last years attending Buyers told us that they want to see a combination of **new and established suppliers. Both must have an innovative product offering.**

The **affordability** of exhibiting and the engaging programme are supported by the unrivalled helpfulness, attention to detail and the positive atmosphere created by the TRT team.

The programme will include a Keynote Speaker and a Question Time session with expert panel. Both sessions will be held on the Tradeshow floor.

You will receive attending Buyers' contact details prior to the event. A photographic Who's Who of all attendees will be included in your arrival pack.
